Work Experience

- | | | |
|-----------------------|--|--|
| 2016 - present | Photo Editor
Rockfoto - Stockholm, Sweden | Rockfoto is a photo agency for concert photography. As photo editor, I work as a coordinator between clients, concert promoters and our photographers. |
| 2015 - present | Photographer
Rockfoto - Stockholm, Sweden | Rockfoto is a photo agency for concert photography. As photographer, I take photos at concerts and then deliver the photos to a tight deadline. |
| 2014 - present | Owner, Photographer & Videographer
Sofia Blomgren
Photography - Stockholm, Sweden | My own business through which I take different freelance photo and video jobs. |

Extracurricular Activities

- | | | |
|-----------------------|--|---|
| 2018 - present | Head of the Photo Committee
Chapter of Media Technology, KTH - Stockholm, Sweden | The Photo Committee is a group for everyone at my chapter who's interested in photography. As head of the committee, I create events for its members and work together with other committees at the chapter when they need photographers. |
| 2018 - present | Media Producer
Oqsledaren, THS - Stockholm, Sweden | Oqsledaren is the student union newspaper at KTH. As media producer, I create content for web and social media. |

2018	Project Leader of the Student Reception Chapter of Media Technology, KTH - Stockholm, Sweden	I was one of three project leaders of the student reception at my chapter. Being project leader includes recruiting students to work during the reception, planning the whole reception and being main responsible during all reception events.
2016 - 2017	Photo Editor Oqsledaren, THS - Stockholm, Sweden	Osqledaren is the student union newspaper at KTH. As photo editor, I was responsible for the photographers and illustrators on the editorial staff and I guided them through the creative process. I was also a part of the paper's project group.
2015 - 2016, 2017 - 2018	Photographer Oqsledaren, THS - Stockholm, Sweden	Osqledaren is the student union newspaper at KTH. As photographer, I took photos for articles that I was assigned and delivered to a deadline.
